MUSICAL CLUBS APPEAR FOR RED CROSS IN UTICA

Concert Saturday Will Be the Earliest in Years

SPRING SCHEDULE

If getting started early has anything to do with the success of an organization, the Musical Clubs should have an unusual career this season; the first concert will take place in Utica Saturday afternoon under the auspices of the Players' Club at the Allied Bazaar at the Tennis Club this week.

A pre-Christmas concert has not been attempted by the clubs in many years, and the practice this year should prepare both clubs for more extensive work after the holidays. The leaders of both clubs have progressed far enough in the program which they intend to present on the Easter trip to give a few numbers at Saturday's recital.

Leader Clum has drilled the singers on the newer Hamilton songs, and as a special number has prepared "Honeytown." The quartet, composed of Clum, Peters, Ferguson, and Collins, is at work on the program that will introduce an entirely new, but experienced group of harmony specialists. Leader Morrow of the Instrumental Club is likewise planning to bring a sextette that would outshine last season's "Light Artillery." The club will play two well-ararnged sections, "Rosina" and the "Missouri Watz." Schwarz, '20, will probably play a saxophone solo.

Schedule Taking Shape

The clubs will play exclusively for Red Cross benefits this year. Manager Bull has secured a concert in New Rochelle for Friday evening, April 5. Other dates have been tentatively secured, but will not be announced until certain. Favorable replies from several of the larger places assure that the Easter schedule will begin to take shape soon, and that it will include concerts in the more important towns.

OFFICERS ON THE HILL

Among the Reserve Officers who have been on the Hill the past week are former Prof. Ristine, first lieut. in the Artillery, "Chief" Myers and Gilbert, '18, first lieut. in the Infantry, and Pardee, '19, second lieut. in the Coast Artillery. These men have just received commissions at the second series of Officers' Training Camps and are on their way to their assignments in the army camps.

—McKennan, '16, is a member of the U. S. Secret Service.

—Pendleton, '17, is attending the New York Telephone Company's school for college graduates at Groton, N. Y.

ELECTIONS FRIDAY

A college smoker will be held next Friday evening at 7 o'clock. This is the regular winter meeting at which the new faculty and student members of the Executive Council, manager and assistant manager of football, President and Treasurer of the General Association, will be elected.

SUNDAY CHAPEL

The Rev. John S. Zylie, of Plainfield, N. J., occupied the pulpit Sunday afternoon. Next Sunday Rev. Alexander R. Barron, pastor of the Walcott Memorial Presbyterian Church of New York Mills will preach. He is the father of Barron, '21.

INTERCROWD BASKETBALL STARTED WEDNESDAY

Good Games Mark Openin[g] of Schedule—Delta U.'s, Neutrals, Theta Delts, Chi Psi's Win.

NO GAMES TOMORROW

Wednesday night, the basketball season opened with a loosely contested game between the D. U.s and Alpha Delts, the former winning by a 24-9 score, and a close and hard fought game between the Sigs and Neutrals, resulting in a 16-14 victory for the latter.

The D. U.s started off well and were never headed. Both teams showed lack of practice, especially in shooting ,and the team work was very poor. Lawler showed up well in his first game, securing twelve points, and Romer and Stone played well for the Alpha Delts.

In the second game the Neutrals had a hard time winning from the Sigs. The score ended the first half with a 10-8 score in favor of the Sigs, but in the second half they could not locate the basket. The final score was 16-14. Johnson was the Sig star, and Ruff and Ingersoll played consistent ball for the Neutrals.

The line up: D. U.: Forwards, Pape and Lowell; Center, Lawler; Guards, Griffith and Cowan. Alpha Delt: Forwards, Stone and Keehn; Center, Romer; Guards, Kaiser, '20, and Kaiser, '21. Substitutes: Mengerink for Cowan.

Sig.: Forwards, Jessup and Johnson; Center, McWilliams; Guards, Chadeayne and Meritt. Neutrals: Forwards: Salbitano and Ruff; Center: Ingersoll; Guards: Sottong and Dunning. Referee, Prettyman; timer, Perkins; scorer, Ritterbusch.

Theta Delt—Sig

On Friday night, the Sig-Theta Delt game was played in place of the Deke-Theta Delt game. The first half showed some fast playing, but the Sigs were handicapped on account of the absence of Johnson. Morrow was the high scorer with seven points to his credit and Jessup and Merrit made the points for the Sigs. The final score was 20-8 in favor of the Theta Delts.

Chi Psi—Psi U

The Chi Psi-Psi U game uncovered two Freshman stars in Parker and Hirshheimer. The Psi U team, which was composed mostly of freshmen, was held scoreless the first half, but came to life the second half and tallied eleven points, the final score being 20-11 in favor of the Chi Psis. Fiske played well for the Psi Us.

Opening Scores	
D. U. 24	Alpha Delt 9
Neutral 16	Sig 14
Theta Delt 20	Sig 8
Chi Psi 20	Psi U 11

The line-up: Theta Delt: Forwards, Morrow and McEwan; Center, Mc Lachlan. Guards, Van Hoesen and Allen. Sig: Forwards, Pessup and Merrit; Center, McWilliams; Guards, Chadeayne and Williams. Substitutes: Hutchens for McEwan, McEwan for McLachlan.

Chi Psi: Forwards, Hirshheimer and Kneeland; Center, Parker; Guards: Tower and McLean. Psi U: Forwards, Fiske and Seaver; Center, Barry; Guards, Perkins and Jones. Substitutes: Wyncoop for Perkins, Moore for Wyncoop. Referee, Prettyman; timer, Perkins; scorer, Brandt.

Games tomorrow night will not be played on account of the athletic meet. During vacation Coach Prettyman plans to have the lines on the floor repainted, and new lights installed.

PRES. FERRY SPEAKS

President Ferry spoke in Albion High School Dec. 4, and before the Westminster Club and the Historical Club of Albion on the same day. The following evening he addressed the Men's Club of Chadwicks.

Last night he spoke before the Oneida Historical Society in the Munson-Williams Memorial Building in Utica. His subject was "The Colleges and the War."

RED CROSS OUTFITS

Mrs. W. M. Carruth has announced that if any men who are entering the service will communicate with her or with the Clinton Chapter of the Red Cross, they will be supplied with knitted outfits in whole or in part or with comfort kits.

CHARLATANS WILL GIVE "DAWN" IN UTICA SAT.

Other Plays Will Be Ready for Performance After Exams

NEW MEN IN CAST

The Charlatans make their debut Saturday afternoon at the Tennis Club, under the auspices of the Players' Club of Utica. Together with the Musical Clubs, they will furnish the entertainment for Hamilton afternoon at the Interallied Bazaar which is being held all week for the benefit of the Red Cross. The one act play "Dawn" will be presented.

Japanese Screens Painted

Work on the other plays is progressing rapidly, and the Charlatans will be in the best shape for the first performances which are planned on the Hill soon after the opening of the second term. Final designs for the Japanese screens to be used in "Bushido" have been approved, and are now being painted by Pierce, '19, who has been made a member as designer.

Enlisting has interfered with the work of the players, Dodge, Jessup, Griffin and Van Norden all being members of the Club. Coach Fancher has new men studying the various parts, so that they will be ready to step in and fill any gaps that are made. Pritchett, '20, has taken Van Norden's part of Mistress Cheeyo in "Bushido."

SEVEN MEN ENLIST

The exodus from the Hill for military service was the largest last week of any time since the Hamilton delegation left for Madison Barracks last spring. Up to last week, there has been very little excitement this fall over enlisting, with the exception of the few men who have been called for the draft or other branches of service. The visits of several reserve officers, coupled with the President's war message to Congress and the new draft regulations, started the agitation which saw seven men signed up, and four others refused for physical reasons. Five of these have already left college, and the other two are waiting to be called.

Griffin, '18, of Clinton, Stackhouse, '20, of Utica, and Moffat, '20, of Edgewood Park, Pa., have entered the Aviation Branch of the U. S. Signal Corps. They were sent to Fort Slocum, New York, before being entrained for southern camps. Dodge, '18, of Utica, and Holler '21 of Chambersburg, Pa., are in the Metropolitan Base Hospital Unit, No. 48, and are remaining in College waiting to be called. Jessup, '18, and Van Norden, '19, of New York, left Sunday night for Spartanburg, S. C., to enter the 107th Infantry. This was formerly the 7th Regiment, N. Y. Guard.

These men were all prominent in college activities.

Spring Track Schedule Nearly Completed

Williams, Union, and Rochester are Three Probable Meets—Many Underclassmen on Team

Although somewhat handicapped because there was no intercollegiate track last spring, Manager Atwood has the plans for this year's schedule well formulated, and is negotiating with several institutions for dates. The spring interclass meet will open the season on May 11. Williams, Union and Rochester will probably make up the rest of the schedule. The last two meets are practically certain, but no contracts have been signed because of the unfinished arrangements with Williams. The dates will be May 18, 25, and 30, with Rochester the only home meet.

Few Upperclassmen

From present indications next spring's track team will be composed mainly of underclassmen, as many upperclassmen who would naturally be on the track squad are now in the service. The Sophomore-Freshman meet this fall showed that there is plenty of very good material in the two lower classes. Track events will be stronger than the field competition. The material for the shorter distance runs is especially good. Moore, '18, Reid and Valentine, '19, Burke and Peters, '20, and Holler, '21, will take care of the dashes. Valentine will also run the quarter-mile.

Keane and Couper, '20, are the most promising half-milers. Kneeland, '20, and Van Kennen, '21, will run the mile. In the hurdles nothing is known of Freshman material. Valentine and Riley, '19, are the experienced men. The jumps are fairly weak, but Romer, Rice, and Thompson, '20, and Seaver, '21, are high-jumping consistently. Valentine, '19, and Kaiser, Keane and Mac Lachlan, '20, will broad jump.

Unless the Freshmen develop some material in the weight events, Mc Lean, '19, and Kaiser, '20, and Mc Williams, '21, will take care of both the shotput and the hammer throw.

COLLIER COLLEGE PRESIDENT

Dr. William Miller Collier, '89, will succeed Rear Admiral Charles Herbert Stockton, U. S. N. as President of George Washington University, Washington, D. C. His term will begin January first.

Dr. Collier lived in Clinton while he was in College. Upon his graduation, he went to Auburn, where he studied and later practised law. During Col. Roosevelt's administration as Governod of New York State, Collier was a member of the State Civil Service Commission, and during Roosevelt's second term as President of the United States, he was appointed Minister to Spain. He has specialized in certain branches of the law, and his writings upon these subjects are considered authoritative. For the past two years, Dr. Collier has been a lecturer on diplomacy at the University of which he will soon be President.

—Glover, '10, a lieutenant of infantry, is now at the U. S. Training Camp "somewhere in France."

—Farrar, '20, who enlisted in the Naval Militia last spring, is taking the Naval examinations for ensign at Pelham Bay, N. Y.

Rushing Rules

There have been some attempts in the past to form on this Hill interfraternity councils and to codify rushing rules. But all of these schemes have so far died a natural death. In 1916 progress was made to the point of establishing an Interfraternity Council, which did hold a few meetings. But it is no more.

No doubt the death of these many schemes has been due to the fact that there is really no need for them in a place as small as Hamilton with the relations of fraternities as they are here. We have almost unwritten rules for rushing which we follow as a matter of honor. But many times little tricks creep in which are not strictly honorable or fair, especially to the man who is being rushed. We suggest as a solution that these unwritten rules which we all know, should be put down on paper and posted in prominent places about the College so that Freshmen coming on to college may know them as well as ourselves.

For example, take the unwritten rule which says that we shall not knock another crowd when rushing a freshman. If freshmen knew that this was a rule among us and could see it in black and white, ignoring this rule would be a positive detriment to a crowd in rushing where as now in some cases it may work to some advantage. There are many such cases as this.

Why not get an Interfraternity Committee to draw up an Ethical Code for rushing? It would do no harm and would do away with many small abuses.

"The sacrifices that are being made by men of all nations who are actively in military service will fail of their largest importance if the youth of the land are not equipped by education to hold the advantages in times to come which the now being fought for.

"The boy who can continue within the schools and fails to do so now commits a folly that only escapes being criminal because of lack of understanding."—Pres. Dartmouth College.

STUDENTS AT CONFERENCE

The Hamilton College Y. M. C. A. was represented at the New York State Collegiate Y. M. C. A. Conference held at Syracuse last week, by President Beach, '18, Hutchinson, '19, Brewer, '20, Barron and Whitbeck, '21. The meetings opened Saturday afternoon at 1 p. m. and closed at 5 o'clock Sunday.

LIEUT. RISTINE SPEAKS IN CHAPEL SATURDAY

"Chubby" Tells of Experiences in Camp and Endorses Military Work On the Hill

After being introduced by President Ferry, and greeted with a long yell from the College body, Prof. Frank H. Ristine, now First Lieut. in the Artillery, made a short speech to the College after Chapel Saturday morning. In telling of his experiences at Fort Niagara, "Chubby" said that he had found it rather hard to change from from teacher to pupil, especially in a place where the greatest amount of work was done in the shortest possible time, and more accomplished, than in any place he had ever seen before.

Praises Work Done Here

Lieut. Ristine heartily endorsed the military training as it is being carried out on the Hill at the present time. He said that the most valuable thing he took with him to the training camp, was the experience he received here last spring. "Many men in your ranks here know more about close order drill than a great many reserve officers with commissions as high as Major. Keep at the work here, and when you do enter the service you will have a good start on your way toward commissions."

In speaking of the duration of the war, he said that the opinions of most of the military men were that we were in for a long period—at least three years. They do not think that there is a chance of the war being over this year or next, and probably not the year after.

NEW COLLEGE PUBLICATION

"Bulletin" To Be Issued Quarterly for the Alumni

The first issue of the "Hamilton College Bulletin," a new publication, will be out before the Christmas recess. This is to be a magazine essentially for the alumni, and will be issued quarterly, or possibly five times a year. It will be considered a regular publication of the College, and has the postoffice privilege of second class mail rates. It is edited by the catalog committee, with the assistance of Mattoon, '16, who is at the head of the work of the College Growth Committee.

The first number contains a list of the names and addresses of all the living alumni, by classes. It also contains a necrology list of the past year. In doing this, it will be taking the place of the College Record, which was discontinued a year ago.

The second issue of the book will be the College Catalog. It is planned to make the third a Necrology number, with short accounts of all the alumni who have died within the year. It will also contain a list of Hamilton men in service, with their addresses and short accounts of their work. The fourth issue will be a volume of reports of the various college officers, including the President, Librarian, Dean, and possibly the Treasurer.

—Erhardt, '15, is now at the Columbia College training school for Naval quartermasters.

—Thomas, '12, has taken a position at the Newburgh shipyards doing contract work for the government.

Spice o' Life

"Where did McEwan get that toque?" sez Baumer.

"Beaman ought-ta be shot for rooking the poor guy," sez Clarke.

Hawks, discussing gold: "Would cattle make good bullion?"

Bob Hayes: "You will have to be identified."

Holler: "My friend will do that."

Bob: "But I don't know him."

Jack: "Oh, well, I'll introduce him."

Cairns (in Library): "Where's Shakespeare?"

Librarian: "Dead."

True Camouflage

"Sky" Brandt has been seen a-goin around these parts with thuh same cigar in his jib ever sinz thuh bitter weather set in. He sez folk'll think he has a box of Pantahelluhs, when in reality he's only exhalin' cold breath.

Bristol Rd. Items

Therey Link & John Riley spent last wk. down to thuh city. They took in the Aquarium & other places, returning home Sunday night after a enjoyable visit to the Aquarium & other places.

A la Paul Coonradt
'Nother of his Nu(de) Thots

When your mother's a chaperone,
And you sit------
With your love,
And she coos-----
Like a dove,
Oh, boy!
Ain't yuh drear, 'n sad, 'n lone.

Paul Coonradt says that there must have been some snow on the Campus over Thanksgiving, because when he got back to College his dog was almost white.

SKATING RINK PROGRESSING

The foundation work on the new skating rink has been practically completed, and everything is in readiness for cold weather to come and put hockey on the list of Hamilton outdoor sports. The sod has been stripped along both sides of the tennis courts, and the ground leveled with the surface of the courts, leaving an almost perfect foundation on which to build the ice.

Coach Prettyman has supervised the construction of side boards which will entirely encircle the rink, and serve as a fence for the puck in hockey. Fifty eight of these sections have been made, 8 feet long by 3 feet high, and will be put in position around the rink as soon as possible. Work is also under way toward erecting lights over the courts, so that the rink can be used at night.

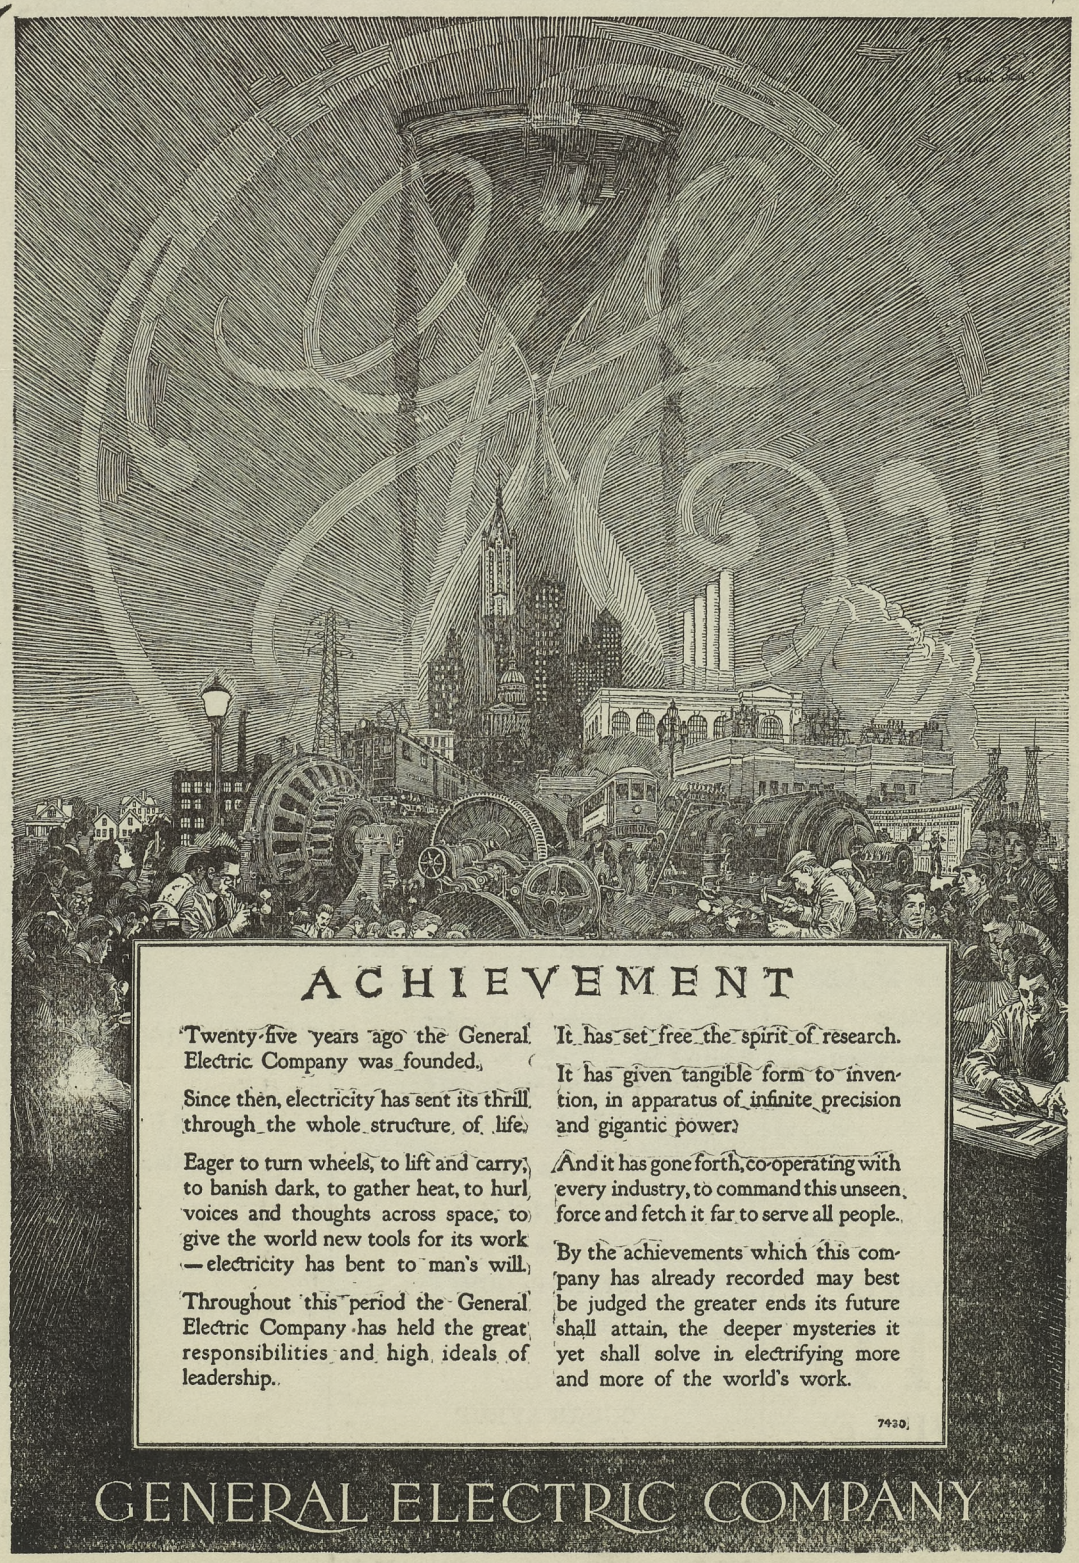
It is planned to keep the ice in the best shape possible throughout the winter, so that skating and hockey may be carried on as long as the weather permits.

COLLEGE NOTES

The Symphony Club, organized on the Hill this fall, will play at the Inter-Allied Fete in Utica, Saturday afternoon.

—The Latin Club met Thursday night in the Library. Hasbrouck, '18, read a paper on "Early Latin Literature," and Gorman, '20, on "Patronage under Augustus." The bi-monthly meetings of the Club have been changed to 9 p. m. as the most convenient hour.

—Webster True, '13, and Bert Collins, ex-'13, have enlisted as privates in the 4th Co., Southern New York, now stationed at Fort Hamilton, Brooklyn. Collins gave up his business in the Panama Canal Zone, came North to enlist, and with True spent two weeks at various places in the endeavor to enlist. They had trouble "getting by" the medical examiners but finally enlisted in Brooklyn.



ACHIEVEMENT
Twenty-five years ago the General Electric Company was founded.
Since then, electricity has sent its thrill through the whole structure of life.
Eager to turn wheels, to lift and carry, to banish dark, to gather heat, to hurl voices and thoughts across space, to give the world new tools for its work —electricity has bent to man's will.
Throughout this period the General Electric Company has held the great responsibilities and high ideals of leadership.
It has set free the spirit of research.
It has given tangible form to invention, in apparatus of infinite precision and gigantic power.
And it has gone forth, co-operating with every industry, to command this unseen force and fetch it far to serve all people.
By the achievements which this company has already recorded may best be judged the greater ends its future shall attain, the deeper mysteries it yet shall solve in electrifying more and more of the world's work.

College Men "Make Good"

When an emergency arises in business, political or military crises, a call goes out for "college men." They are expected to "make good." And they do. The reason for their success is their abiltiy to bring their special training to bear on the problem at hand.

In financial matters this trust company is prepared to meet the constantly changing conditions due to the special training and long experience of its officers and staff.

Our several departments offer the following services:

(1) Checking accounts—large or small.

(2) Large or small interest accounts on which we pay 3½ per cent.

(3) Loans on promisory notes, on collateral security, and on real estate mortgages.

(4) 3½ per cent. interest bearing Certificate of Deposit.

(5) Acts as executor, administrator or trustee for decedent estates.

(6) Agent or trustee for estates of living persons.

(7) Safe Deposit Boxes to rent for $3.00 per year and up.

We especially welcome the opportunity of serving men "on the Hill."

Full information will be given on application to the Secretary.

Baseball Schedule Slightly Changed

Rochester and Buffalo Cancel—West Point and R. P. I. in Their Places —28 Freshmen Candidates

Changes in the baseball schedule eliminate the weekend trip to Rochester and Buffalo on May 3 and 4. In their place games with R. P. I. and West Point are being sought, but the final agreement has not yet been reached. May 18 is the only other date open. Due to a conflict, the game with St. Lawrence cannot be arranged. Wesleyan has written for a second game at Middletown on June 15 at their commencement. Coming so late in the season it was impossible to consider their offer.

Coach Prettyman announces his willingness to help candidates for pitcher especially the new men, any time during the winter in the gym. He is also ready to give the batters practice whenever they may care to report to him before the regular indoor work begins in the spring.

A canvass of the freshmen reveals twenty-eight men who intend to try out for the team. At least half of these have had previous experience on prep school or club teams. Of those who have expressed a choice, four prefer the outfield, seven the infield, three pitching and three catching.

Frosh Candidates

Hewitt is an outfield with experience on the Central High team of Syracuse. Pritchard has done the same work for the U. F. A. Three of the men are third basemen. Cowan comes from the Ogdensburg Academy team, and King and Holler have played on club nines. Whitbeck is the only one to put in a claim for second base. Hutchens and Pritchett will try out for shortstop. Paton is a first baseman with experience on the Jamaica High School club.

The pitchers seem unusually promising. Restle has done work for Clinton High, McWilliams has been on the mound for Holbrook School and Grey for Delhi High School. Campbell caught for Union Endicott. Other men who have worked behind the bat are Grey and Van Hoesen. The rest of the freshmen candidates will be Ballot, Bartlett, Clark, Davidson, Fitzpatrick, Kaiser, Lawler, Mathewson, Moore, Pierce, Seaver, Weller, and Ingersoll.

Three Regulars Left

With Capt. Cavanaugh, Powers and Bratton the only regulars left from last year it seems that there will be a great many important berths open to the new men. The coach, meeting the men as baseball players for the first time, will be able to choose them without any regard for their past record or reputation.

DR. WOOD IN NEW HOME

Dr. Wood moved into his new house on the Hill last Tuesday. This is one of two houses built by the Trustees last summer, and both are fine buildings. Dr. Dale occupies the other. Prof. Prettyman is moving into Dr. Wood's house down the Hill.

Hamilton Men in The Country's Service.

The following is as complete a list of Hamilton men in service as it has been possible to collate at the present time. Of necessity there must be many mistakes and ommissions, and Life solicits any corrections. It is planned to make the spring number of the College Bulletin a catalog of all the men in service, with addresses and short accounts of their service and work.

(Continued on page 4.)

Indoor Military Work Begun Last Week

Calisthenics and Classroom Work Take Place of Outdoor Drill—Reserve Officers Take Charge

Military science came into its regular winter schedule last week with an hour of calisthenics and drill in the gymnasium on Monday, and two hours of class-room work later in the week. The battalion was divided into two sections for the gym work, and into five for recitations.

Lieut. Meyers, formerly "Chief," was on the hill Monday and put the 3:30 division through a fast period of drill before it went into the gym. Lieut. Pardee, ex-'19, was present to take charge of the 4:30 division for a short drill. Coach Prettyman conducted the work in the gym for each division ,and began with a series of exercises planned to develop the muscles most used in marching and to correct or prevent flat feet. He plans to gradually work the men into more strenuous exercises and keep every man in the battalion in good condition for any physical work or contest.

Plan for Winter's Work

The book being used in the classrooms is the "Manual for Non-Commissioned Officers and Privates of the Infantry," the latest manual issued by the War Department. Prof. Carruth and Prof. Clarke have charge of the classes. The work last week covered military discipline and courtesy, arms, uniform, equipment and personal hygiene. Class work during the winter will include map reading, signaling, first-aid treatment, field service and general tactics. The mechanism and care of the rifle will be taken up an soon as the pieces are received, and a course in bayonet drill will be given. It is expected to have the battalion in shape for intensive outdoor drilling early in the spring.

Although notice of the shipment of 100 rifles was received two weeks ago, the pieces have not yet arrived Likewise the delivery of the uniforms has been delayed and they were not distributed yesterday as expected. It is promised that they will be on the hill tomorrow.

ATHLETIC MEET IN GYM

Tomorrow and Thursday nights will see the whole college in gym suits, trying by individual prowess to uphold the athletic name of their crowd, and some merry competition is expected for possession of the cup. Last year the D. U.s nosed out the Dekes for first place by a fraction of a point, but with numerous changes in the personnel of every crowd this year, it is hard to pick a probable winner.

As announced in **Life** last week, the six events are the same as last year, with standards slightly changed in the shot put and high jump. Excuses are being granted by Director Prettyman for physical disability, and every man who has any reasons for not competing must receive an excuse before 6 p. m. tonight. This includes every man, whether he has been excused for previous meets or not. The zero rule for unexcused absences will be strictly enforced.
